# Meet the Fockers

AFI is a national institute providing leadership in screen education and the recognition and celebration of excellence in the art of film, television and digital media.

#### **AFI ASSOCIATES**

The AFI Associates was formed in 1984 to further the work of AFI by developing a variety of programs and projects to provide financial support. To date, the Associates have raised over four million dollars through their annual Gala Premiere, the Platinum Circle Award Luncheon, the International Film Series, the Classic American Film Series and other special projects.

The Associates' efforts have provided continuous funding for many projects including the Directing Workshop for Women, dedicating Chair Plaques in the Mark Goodson Screening Room, enhancement of the Louis B. Mayer Library, and other significant benefits to the AFI Campus and programs.
